

Last week, Arrow Lumber Co. donated *three hundred* turkeys, plus stuffing and potatoes, to the Eatonville Family Agency for distribution to needy families. This is the first time the Agency has been able to offer Thanksgiving food baskets, though it regularly does so for Christmas. Pictured above with some of the food from Arrow Lumber are, left to right, Amber Lewis, Jessica Weigel and Lorri Ferguson.

Arrow Lumber to donate 300 turkeys for Thanksgiving

Arrow Lumber of Eatonville has promised 300 turkeys for the Eatonville Family Agency to distribute to needy families for Thanksgiving. Potatoes and stuffing mix will also be provided.

People needing a turkey should come to the Community Center, 305 Center St. W., on **November 16 or 17** to pick it up.

Previously, the agency has not been able to provide

Thanksgiving food baskets. Arrow Lumber makes it possible this year. Any leftovers will be saved for Christmas baskets.

Arrow Lumber is also having a food drive through **November 15** at all stores. All food collected will go to the local food banks. Please help support our local communities!

Arrow often plays an important role in providing community aid.
